MEMORANDUM: Chief, Intelligence Institute  
FROM : Special Programs Officer  
Subject : Proposed Dates for CIA Today and Tomorrow, 1976-77

1. The following are suggested dates for CIA Today and Tomorrow. I have proposed dates for four runnings since I understand that the Curriculum Council has recommended four.

2. I have checked these dates against schedules for the Senior Seminar, Advanced Intelligence Seminar, and Mid-Career Course to avoid conflicts with respect to invitations to the Director and Deputy Director of Central Intelligence. There are no conflicts at present. However, I understand that the Mid-Career schedule for 1977 is still tentative. If we use the alternative March dates, 15-18, instead of the proposed dates, 22-25, then we will be in the position of asking Mr. Bush to speak to CIA Today and Tomorrow on the 17th and AIS on the 18th.

3. The Auditorium as of this writing is free on the proposed dates.

4. There are no conflicting holidays if the N.W. Federal Credit Union calendar is trustworthy.

5. The dates have been checked against the attached tentative Special Programs Officer calendar for 1976-77.

19-22 October 1976 (announced)

30 November - 3 December (proposed as fourth running)
